CW: compressed wood

Beside the folio stock range, **Clairefontaine** offers a full reel service adapted to printers needs.

The reels can be delivered chimney stacked or eye-to-the-sea, with or without pallets, in the desired width, core and diameter.

The production range goes from 65 gsm up to 130 gsm in two shades, white and ivory. The range is available in 4 different bulks: 1.30 , 1.50, 1.80 and 2.0.

Please find below the products you can choose from. Contact Clairefontaine for a quotation and lead time.

For other request, please contact us and we will do our best to match your needs.
