

# Rough Bright

Rebecca Rock

## Description

### Here's a paper of character!

**Rough Bright** has a textured surface, the fibres you'll be pleased to feel. Its high bulk and its excellent stiffness make it an ideal substrate for your creative works. Extremely white, it enhances the intensity of the printed colours, and makes the message more dynamic and impactful. Certainly, a paper with character, but it knows how to be accommodating.

The surface of Rough has been treated for an excellent runnability, contrasting and uniform prints, and is suitable for multiple finishes. Like all the papers in the range, **Rough Bright** has an excellent dimensional stability and a consistent sheet formation.

Available from 80 to 400 gsm.

## Technical specifications

Substance	gsm	80	90	100	120	150	170	200	240	300	400	NF EN ISO 536
