

# smart

## ▼ DESCRIPTION

A unique touch, an extreme whiteness, homogeneity and opacity make **Smart** the optimal paper for all uses.

**Smart** is recommended for its laser aptitude but also for inkjet, duplex printing, text and images. Its stiffness means the paper runs perfectly through a copier without jamming.

Its texture and high smoothness level make it pleasant to the touch and stimulate the thought process. **Smart** exists in a wide range of substances adapted to all your needs, allowing you to choose the most enhancing paper for each use.
