

Description

C-Opak is a thin opaque paper, specially designed to produce high-pagination books. Available in 40, 45, 50 and 60g gms, it has a reinforced opacity, exceptional for its thickness. Its warm colour improves reading comfort, and its very silky touch makes it very pleasant to hold and move the pages. Innovative, C-Opak can be printed on high-speed inkjet presses as well as on rotary or offset presses.
