

Everprint White Light Coated

Rebecca Life

Description

For high quality eco-responsible prints Everprint White Light Coated is a paper made with 100% recycled, cellulose fibres. Its surface finish, both coated and satin-finish, guarantees exceptional offset printing results. Its natural whiteness, 95 CIE, allows a wider range of colours and shades to be reproduced. Its light satin finish gives it a very silky touch and ensures great visual comfort. Certified FSC recycled and manufactured in France, Everprint White Light Coated is the signature of high quality eco-responsible prints.

Everprint White Light Coated is available from 80 to 300 gsm to suit all applications: commercial or institutional brochures, annual reports, newspapers, magazines, catalogues, beautiful books, calendars...
