

DCP Inkjet

Jet D'encre

Description

High white paper, 162 CIE, satin-finish. Guaranteed for all office and high speed printers. Compatible with pigment and dye inks. Very good opacity for a sharp and precise rendition of the colour printings. Two-sided printing. Excellent flatness, guaranteed dust-free.
Convenient for laser printing.
Recommended for all black and colour office printing technologies: laser with dry toner, solvent-free inkjet, solid wax ink.
Plain paper setting for inkjet printing.

Applications

External communication. All documents containing text and colors. Reproduction of images.
