

Cross Bright

Rebecca Cross

Description

A seamless versatility.

Cross is the ideal, uncoated white offset paper for printing in all sizes. Renowned for its exceptional formation and its high bulk, its extreme whiteness provides the necessary contrasts for the best printing results.

Thanks to its maximum rigidity, its perfect volume uniformity and its very good dimensional stability, it offers excellent printability and runnability characteristics. This paper is guaranteed for personalized laser and inkjet postprinting.

Cross is available in a very wide range of substances, making it suitable for all applications.

Available from 50 to 400 gsm Cross also complements the Clairalfa and Smart Print ranges in A4 and A3 from 50 to 350 gsm.

Areas of end use: letterheads, invoices, receipts, forms and documents, company brochures, leaflets, personalised mailings, instructions for use, advertising leaflets, books, business reports, office supplies, catalogues, business cards.
