

Description

The perfect balance.
Paper made of 50% virgin fibres, 50% post consumer waste fibres, Equality offers a perfectly flat sheet with a soft touch for clean and crisp presentations. It stands out through its opacity and its whiteness which allow for better printed results for text and images.
Recommended for all black and colour office printing technologies: laser with dry toner, solvent-free inkjet, solid wax ink.
Plain paper setting for inkjet printing.

Applications

Equality is idéal for colour copiers and printers, both laser and inkjet.
