

# Chevi Ecrû 0400

Papers for **packaging**

## Description

Made from 100% virgin, natural, and unbleached cellulose fibres, Chevi Ecrû 0400 embodies the essence of sustainability. Biodegradable, compostable, and recyclable, it is designed for demanding applications such as labels, packaging, and retail bags. With exceptional strength, perfect flatness, and a smooth surface, it is the ideal choice for boxes, gift sets, and more.
