

Sauvage

Rebecca **Studio**

Description

Sauvage is a presence, an identity that immediately states its character. It attracts the eye, imposes a sensation and makes a decisive choice. Its unique texture, both natural and refined, is seductive from the first touch. Under your fingers, you'll feel a raw, authentic, almost instinctive softness. It's the ideal paper for those who want to make a lasting impression through substance and form. Available in 120 gsm or 330 gsm, it reveals all its strength in exceptional projects: art editions, luxury books, greetings cards, invitations, catalogues, menus or calendars.
