

Everbulk Premium White 1.5

Rebecca Life

Description

The intensity of a paper, the lightness of a print. Made from 100% recycled fibres, this raw paper has an exceptional bulk weight of 1.5, a guarantee of presence and strength. Uncoated, it retains all the sincerity of the recycled material, for powerful renderings and assertive graphic expression. Its natural whiteness, high opacity and dimensional stability make it a reliable paper for demanding offset and preprint applications. Ethical, Aesthetic, Everbulk!
