

Brut Natural

Rebecca **Rock**

Description

Looking for an authentic paper with a strong personality? Why not choose Brut Natural?

In addition to the technical characteristics of its family, high roughness, high hand, pigmented surface for a quality printing result, Brut Natural has above all, a warm and vivid tint, obtained without fluorescent agents. This singularity gives it a discreet charm with varied notes, to adapt to all applications, magazines, catalogues, fine books...

To be explored without restraint!

Available from 90 to 300 gsm.

Technical specifications

Substance	gsm	90	120	150	200	300	NF EN ISO 536
