

Description

Create, classify, share an emotion.

Papago offers a unique palette of pastel or intense shades to meet your creative needs and desires. Warm colours, delicate or bright shades, excellent resistance to light and perfect homogeneity of colouring, Papago guarantees a lawless quality for your documents. Papago is compatible with offset and laser printing.

Papago is available in a palette of 38 colours, 9 substances from 80 to 320 gsm in various sizes.

The coordinated A4/A3 range is also available from mill stock.
