

# Clairbook Natural White

Rebecca **Bulk**

## Description

A paper suitable for all printing technologies.

Clairbook Natural White combines outstanding surface finish, smoothness, and opacity. The advantages of this paper are such that authors can edit and republish their works, without restriction on the number of prints, in inkjet, laser and offset. Available in 1.8 and 2.0 in different weights, Clairbook Natural White is suitable for the manufacture of all books regardless of their back thickness. It is also available from digital press sizes to web offset reels.
